Objective

A passionate **Junior Backend Developer** with hands-on experience in **Node.js, TypeScript, Express.js, REST APIs, PostgreSQL, MongoDB, and Prisma**. Skilled in building backend applications, implementing **JWT-based authentication and authorization**, and developing scalable RESTful services. Familiar with **Git** and modern backend development practices, with a strong interest in building reliable, secure, and maintainable server-side applications while continuously improving my backend engineering skills.

Skills

- **Languages:** JavaScript (ES6+), TypeScript
- **Frontend:** HTML5, CSS3/Sass, React.js, Redux, Material-UI, Bootstrap, Chakra UI, Tailwind
- **Backend:** Node.js, Express.js, REST APIs, Prisma
- **Databases:** MongoDB, PostgreSQL, MySQL
- **Tools and Software:** Git, Postman, VS Code, Chrome dev tools, npm / yarn, Figma, Heroku, Netlify

Projects

1. AN INVESTIGATION OF GREEDY STRATEGY IN THE DE SUM OF N AND ANALYSIS OF ALGORITHMS | [Link](#)

Worked under Dr.K.Viswanathan Iyer Professor, CSE,NITT

- Key words: Greedy algorithms, optimal substructure, greedy approximation, algorithmic experimentation.
- An optimization problem is typically specified by the description of its potential solutions, together with a criterion used to judge which is optimal.

2. RentNest – Rental Property Marketplace

Tech: Next.js 16, TypeScript, Node.js, Express, PostgreSQL, Prisma ORM, JWT,Stripe

- RentNest is a complete rental property marketplace built as a full stack application with separate backend and frontend codebases.
- Landlords can list, edit, and manage properties, review rental requests, and track their listings from a dedicated dashboard
- Deployed the website on **Vercel** for fast and reliable hosting.

 Live Demo: [RentNest](#)

 Github: <https://github.com/minhaz50/renthub-frontend-part>

3. Bugify – Full Stack issue tracking platform

Tech Stack: Node.js, TypeScript, Express.js, PostgreSQL, JSON Web Token, bcrypt, Next.js

- Bugify is a collaborative issue tracking system built for software development teams.
- Software teams can report bugs, request features, and manage resolutions with role-based access control.
- The platform features a secure JWT-based authentication system
- Deployed the frontend using vercel and backend using Render for production hosting.

Experience

- **Digital Population and Housing Census 2022**

Position: IT Supervisor & Trainer

Location: Gazipur, Salna, Zone-1

Duration: May 2022 – July 2022

Population census is indeed the only recognized and reliable source in Bangladesh for complete and quality database related to the population size, spatial and all the basic characteristic of population from national down village. Bangladesh Bureau of Statistics (BBS) had conducted Population and Housing Census.

Achievement:

- Trained 10 supervisors and 85 enumerators about how to use the digital device for the Digital Population and Housing Census.
 - Monitoring the area and the enumerator work.
- **IT Executive | Save The Life Women Co-operative Society Ltd. | April 2024 – June 2024**
 - Maintained and optimized the internal digital record system.
 - Assisted in technical troubleshooting and system maintenance.

Education

Graduation (2021)

Computer Science & Engineering

National Institute of Technology Tiruchirappalli Tiruchirappalli, Chennai, India.

Higher Secondary (2016)

Birshreshtha Munshi Abdur Rouf Public College Peelkhana, Dhaka-1205

Achievements & Certifications

- ICCR Scholarship (2017-2021) – Awarded by Indian Council for cultural Relations
- The complete JavaScript course (Udemy, 2022) **Certification**
- Introduction to Human Rights | **Certification**
- Complete Web Development Course | **Certification**
- Member at Vortex, NITT || The CSE Association hosts an annual national level technical symposium Vortex. It was inception grounded in the firm principles to provide a platform for technocrats to showcase their prowess in fields of Computer Science and Information Technology.

Extracurricular Activities

SOCIAL ACTIVITIES

Part of the NSS team of NIT-Trichy. Have visited remote villages and conducted awareness programs on self-employment.

Coordinator, Public Relations and Hospitality Team, Festember 2018

Worked as a coordinator of Public Relations and Hospitality Team of Festember 2018 held at NIT Trichy. Festember is the annual cultural festival of NIT Trichy.

SPORT ACTIVITIES

- I participated in Cricket in Inter School Sports Competition and bagged first prize.
- Secured Second place in Kabaddi Men in Aaveg'18 – the inter-hostel sports meet organized by NIT Trichy.

Cultural Activities:

I participated in various cultural fests conducted by various clubs of NIT, Trichy.
